REQUEST TO CORRECT DRAWINGS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants hereby request the Patent Office to correct its record of the drawings for this application. We have determined that substitute drawings were erroneously entered in the above identified Application on June 21, 2005. Applicants have checked their records and Public PAIR to confirm that the application papers submitted to the Office by the Applicants did not contain the material error made by the Office. Additionally, the Published Application, Patent Publication No. 2006-0054539, includes the incorrect drawing sheets.

In the electronic image file wrapper, the Miscellaneous Incoming Letter, dated June 21, 2005, includes a Notification of Acceptance and Filing Receipt Status Request filed in this Application. However, pages 4 and 5 of the Miscellaneous Incoming Letter are a Response to the Invitation to Correct Defects Under PCT Articles 3(4)(i) and 14(1) and Rule 26, apparently filed for Application No. 11/057,414. The Drawings dated June 21, 2005,

containing the 9 substitute drawing sheets erroneously entered in this Application, are associated with the Response to Invitation (not this Application).

Applicants request that the above-identified application be corrected to remove the erroneously entered Request to Invitation, filed June 21, 2005, and the Drawings, consisting of 9 substitute drawing sheets, filed June 21, 2005.

Respectfully submitted,

James A. Oliff
